Openings of Some Major Issues Were Low, But Rapid Recovery Was Shown.

NEW YORK. April 16.-The chief feature of the stock market at the opening today was the recovery of a number of important issues after they had opened fractionally under yesterday final. Amalgamated Copper began 13 lower, but at the end of fifteen minute lower, but at the end of fifteen minutes had made up this loss. Canadian Pacific moved in the same manner. Reading, after opening 1½ lower, rallied and recovered, and then scored a net gain of 1½. United States Steel also was 1½ lower at the beginning, after which it made up the decline on small transactions and at the end of half an hour ruled 1½ above yesterday's last figure. Union Pacific acted similarly, recoving a loss of 1½ in a few minutes.

ing a loss of ¼ in a few minutes.

There was considerable pressure.

Prices were a shade off from yesterday's close, but the market was not weak as on Tuesday. Selling produced weak as on Tuesday. Selling produced recessions, but not breaks.

Union Pacific and Lehigh Vailey fell to new low records when bears raided the market during the first hour. The general list retained a fair degree of firmness, however, and as stocks were not brought out, there was a relapse into duliness at the end of the hour. New Haven showed considerable strength.

New Haven snowed considerable strength.

The pressure on Lehigh Valley and Union Pacific continued during the second hour and it is believed the bears would make one more determined effort to break prices further for the purposes of covering.

Chesapeake and Ohio began unchanged at 51% and then lost %. Among the other declines were Stude-baker. 1/2; Rock Island, 1/4, and Great

Amalgamated Copper, Anaconda, and St. Faul were fractionally up on the first sales. New Haven was exceptionally strong, advancing 1/2.
The Mexican situation had but little effect and the rallies were due chiefly to covering by professionals. The press-ure from houses with wire connections throughout the country, which has been

Northern preferred, 1/4.

The curb was heavy.

Americans in London were heavy, chiefly Louisville and Nashville, which apparently was sold because Charles Steele, of J. P. Morgan & Co., resigned from the directorate.
